

# 2019 Annual Report

January 1, 2019 to December 31, 2019

All the work we have completed in 2019 would not have been possible without the help of each of our sponsors, partners, volunteers, and advocates. Thank you for support and we hope that in reading of our successes, you will be inspired to join us in building hope in our community. Unite with us to build home, community and hope in Summit County.

## year in review

"As we celebrate the year in review, in our history we have built or rehabbed 209 homes for families, completed 115 home repairs, and deconstructed 999 projects. We can't do it alone – it takes an entire community to work together, hand to hammer, to help create affordable homeownership opportunities. Thank you for supporting the dreams of so many families in Summit County."

-Rochelle D Sibbio, President & CEO

**1,471 volunteers**      **23 home repairs**  
**5 new homes**      **48 deconstruction projects**  
**18,065 volunteer hours**      **4,097 sponsors & donors**

"Thank you to all of our employees, volunteers, customers and donors for your continued dedication, commitment and support. Because of you even more families will be able to experience the stability of a decent and affordable place to live."

-Monica Vinay, HFHSC Board President, Myers Industries, Inc.

## partner families

"On behalf of all our Partner Families, I would like to thank our donors, volunteers and staff members. I have seen first-hand the excitement and empowerment this gives our families when they are offered the opportunity of homeownership. Their hard work and dedication come to fruition when we dedicate their homes. I am so excited and proud to be a part of this organization and help build the dream of homeownership for our families."

- Kim Kerr, Family Services Manager

## mortgage burnings

We celebrated the mortgage burnings of April Pearson, Laurene Hopkins, Curtis Jeffries, Carol Morrison, May Sivongxay & Viengkham Rassavong in 2019. Congratulations to these families who have worked hard to pay off their home! These milestones were celebrated with friends, family, staff, and board members.

## 5 new homes dedicated:

**The Jackson Family**  
Alisa and Lonny have two children, Hezekiah (12) and Angela Grace (10).

**The Gaiser Family**  
Sara is the loving single mother of her daughter Aria (3).

**The Woods Family**  
Danielle's two daughters have graduated and moved out of the home.

**The Miles Family**  
Mandy is a single devoted mother to two sons, Ryker (7) and Kamdyn (5).

**The Archibald Family**  
Allen & Lisa take care of 5 of their 10 grandchildren including Ja'Breah (14), San'Tana (13), William (11), Eren (9), & Elijah (6).

## NRIX: May 8th & 9th

On Hedden Avenue, Johnston Court & Wilson Street in University Park, volunteers completed vacant lot clean ups, planted flowers and helped with three critical home repairs

## NRX: July 27th & 28th

Working with volunteers from Scott Bader, Summa Health and the University of Akron Police Department, three critical home repairs, five solar powered security lights were installed, and two public spaces were improved (including the painting of a mural on Hedden Avenue) in the University Park neighborhood.

## NRXI: August 24th & 25th

Volunteers from Summa Health & Summa Care worked at Reservoir Park in Goodyear Heights on a variety of public space improvement projects. Fence posts were replaced at Adolph Community Garden in the Middlebury neighborhood.

## NRXII: October 11th & 12th

Windows were washed and the flower beds were weeded at Family of Faith United Methodist Church. Bus stop benches were painted and a little fall cleanup was needed around the Middlebury Millstone Monument. Beds were cleaned at Boss Park and solar powered security lights were installed on neighbors' homes.

## Neighborhood Network

"Following the plan set by Middlebury neighbors and friends while facilitating the development of a University Park neighborhood vision, Neighborhood Network continued to serve as a neighborhood connector in 2019 – listening to neighbors, building coalitions and making progress on the complex pipeline of projects needed to improve the quality of life for all that live, work and play in the Middlebury and University Park neighborhoods. With a clearer sense of the work that needs to be done thanks to the neighborhood planning efforts, Neighborhood Network looks forward to the intentional and strategic work we plan to do together with residents in 2020."

## deconstruction

**31,459** lbs. debris saved from landfills  
**\$3,345.84** materials scrapped & recycled  
**48** deconstruction projects  
**23** exterior home repair projects

"Deconstruction is an important part of our mission at Habitat. As we approach our 1000th deconstruction project, we are working with more private donors. Everyone benefits from Deconstruction."

- Jon Yoho, Neighborhood Revitalization Manager

## What is it?

A certified deconstruction crew removing building materials for the purpose of re-use or recycle for free. Affordable de-installation and removal of your salvageable materials.

## How does Deconstruction help the community?

1. Generate funds to help build more Habitat for Humanity homes for those in need in Summit County
2. Reduces landfill materials generated from remodeling and demolition projects
3. Provides affordable building supplies to the public through the ReStore

The only store where  
you shop for yourself &  
build homes for others.

"2019 has been a year full of exciting changes!  
We continue our mission of helping others,  
picking up donations and growing the ReStore. I  
have high hopes for 2020!"  
- Rachel Stuart, ReStore Co-Manager

"2019 has been a year of transition into a new  
way of operating. Just like anything new, it will  
take time. 2020 will be a prosperous year for  
us!"  
- Priest Goode, ReStore Co-Manager

**\$1,026,274** ReStore sales  
**4,959** total donations  
**1,212** drop offs  
**3,747** pick ups

## flip events

We hosted 3 community flip events  
where the public was invited to take  
home a ReStore item to flip into  
something with new life. Flipped items  
were then sold in the ReStore. This fun  
event encourages creativity in recycling  
reusable items into unique art pieces.

## pallet projects

Loyal volunteers used their  
creativity to turn old wooden  
pallets into pieces of art.  
They took the reusable  
material from the pallets to  
build wine racks, Christmas  
trees, snowmen, Ohio signs,  
and more. These items were  
sold in the ReStore to raise  
funds for our mission in  
Summit County.
