"The year 2021 is in our rearview mirror and we are front-facing forward into 2022. While we were able to continue to serve families last year with our various programs we were affected by materials shortages, surging cost increases of those materials when we could find them, labor shortages from subcontractors that we needed to help us build all the while limiting our volunteer build efforts to keep everyone as safe as possible during the pandemic. Our vision remains the same – everyone deserves a decent place to call home and we will remain steadfast in moving that vision forward in Summit County. We are humbled by our community and the support they continue to show us in serving families in need."

- Rochelle D. Sibbio, President & CEO

"As we continue to forge ahead in uncertain times and strive to reach our "new normal," we appreciate the unwavering commitment of our local Habitat for Humanity community. All of you have remained flexible and worked hard toward our mission to bring people together to build homes, communities and hope. We are proud of Habitat's many accomplishments and thank you for partnering with us every step of the way."

- Marie Brilmyer, HFHSC Board President, Cohen & Co.
