WELCOME GOLFERS

Thank you for taking time from your work day to join Habitat for Humanity of Summit County to support our 13th Annual "A Home in One" Golf Outing! We are grateful for your show of support today, your commitment to our mission as well as your efforts to golf and have fun while supporting building affordable homes.

Through Habitat's homeownership program, our home repair program and our ReStore, we have become an organization that revitalizes neighborhoods and cares for our environment. Your support today goes a long way in helping us achieve our mission of creating a world where everyone has a decent place to live.

A special thank you to our presenting sponsor, J.W. Didado Electric for their support and to all our other sponsors for supporting us in our mission to revitalize neighborhoods throughout Summit County. Go ahead and "Drive for Show, Putt for Dough" and have a great day!

Longest Putt: #9 #18

Pin Shot: #4 #13

Men's Longest Drive: #1 #17 (in fairway)

Women's Longest Drive: #8 #14 (in fairway)

SCRAMBLE RULES

1. Men play from Gray tees (60 and over from Blue tees)
2. Women play from Green tees
3. Standard scramble format will be used:
 - a. On every hole each team member may hit a shot. The team then selects one of the shots from which to play. All team members must hit from that position.
 - b. There are no restrictions on whose shots or number of drives to use.
 - c. One club-length is allowed to place one's ball no nearer to the hole to improve your lie. Balls must remain in hazards and similar surfaces.
4. Please maintain pace of play (ready golf) as the course will be full. Please, no ball-hawking. Carts - apply 90 degree rule at all times
5. Course specific and weather specific rules will be announced before the tournament begins.
6. Tie breaker = in the case of a tie we start at the #1 handicap and go back until we determine a first, second and third place

FUTURE HABITAT HOMEOWNERS

Proceeds from this event support families like these. Thank you for your support in building homes and hope in our community!

JAMES & ZOEY

James is a single father who has been in our partner family program since November of 2020. He is currently building with us in the Goodyear Heights neighborhood. James is an ambitious, determined goal setter. He works hard to be a good father to his daughter, Zoey and provide a good life for his family. He can't wait for the day he officially becomes a

homeowner, providing his daughter with a safe home to grow up in. Zoey's favorite part of the new house is the full basement. She looks forward to having her own space where she can practice her gymnastics. James is excited to live in a safe neighborhood, "When I saw people safely enjoying walks with their dogs on the sidewalk, I said to myself, yep, this is a great place for my family."

DAVE & JEANNE

David and Jeanne have been part of our homeowner program since August of 2020 and are currently building a fully handicapped-accessible home in Lakemore. Both David and Jeanne are disabled, living with Multiple Sclerosis.

They look forward to living near Springfield Lake as they both love the water; Dave was a past boat mechanic and he currently has

a 1948 Lyman boat. Before her shoulder injury, Jeanne also enjoyed boating and finds the water peaceful and calming.

When asked what 'home' means, they both agree that it is a place that provides security and ownership. They look forward to the freedom homeownership allows them to have in decorating to their taste and growing a large garden. Through their time as a partner family, they have enjoyed meeting good, generous people who are willing to help others by donating their time and money to build affordable homes.
