Welcome Home Shalyn!

This past month we welcomed first-time homeowner Shalyn and her family into their new Habitat home! Shalyn is excited to raise her sons and make memories in the Barberton community. Shalyn stated, "I am looking forward to having a fresh start in life! It's exciting, I never thought I would be a homeowner!" Congratulations to this deserving family!

Reduction in Cost of High-Speed Internet

By: Kim Kerr, Family Services Manager and QLO

In November of 2021, President Biden signed the Infrastructure Investment and Jobs Act Law. This law will rebuild America's roads, bridges, rails and expand access to high-speed internet, tackle the climate crisis, advance environmental justice and invest in communities that have often been left behind. For this article I would like to discuss how this law may benefit our families regarding high-speed internet.

When Congress passed this bi-partisan law, part of this was the Affordable Connectivity Program, which "provides eligible households \$30.00 off per month of their internet bills. Individuals "can also receive a one-time discount of up to \$100.00 to purchase a laptop, desktop computer, or tablet from participating providers."

In order to qualify for the Affordable Connectivity Program, you must meet one of three qualifications:

1. Your income must be at or below 200% of the Federal Poverty Guidelines
2. You or someone in the family participates in one of several Assistance programs.
3. You meet eligibility criteria for a participating broadband provider's existing low-income internet program.

In order to sign up for the program go to <https://www.affordableconnectivity.gov>. You are able to submit your application on-line or print out a mail-in application. Then you will contact your preferred provider to select a plan and have the discount applied to your bill. In order to be enrolled you must fill out the application AND contact your preferred provider. The benefit is available to eligible new, prior and existing customers of participating providers.

Eligible consumers with a past due balance or a balance in collections are eligible for the benefit. You can also combine these benefits with other state and local benefits where available. If you prefer to speak to someone regarding this program, the ACP Support Center number is (877) 384-2575.

If you would like further information or need a list of providers, please go to <https://www.fcc.gov/acp>. There is quite a bit of information available. We hope this information can be useful to you.

Welcome Home San and Mangali!

We are so happy to have welcomed San and Mangali into their new Habitat home last month. We can't wait to see you flourish as new homeowners! Thank you to all those who have helped us carry out our mission in the Summit County community.

Top 5 Picks Every Tuesday!

Each week we pick out the top 5 BEST items available in the ReStore to feature for exclusive online shopping. You have the opportunity to grab these items and purchase them online before the store is open to the public on Wednesday morning at 8AM. These hot items will only be available for purchase online every Tuesday from noon until midnight.

Check back each week to see what cool, new items are featured and available for sale online because we guarantee these items will be gone fast in-store!

Donate \$5 to Celebrate

On #WorldHabitatDay, Habitat for Humanity joins the United Nations and organizations around the world in raising awareness and in educating and mobilizing individuals and communities to take action on the current global housing challenge.
