## Welcoming Briana into her new role!

"I was excited to join the Habitat family in February 2022 as the Office Administrator & Volunteer Coordinator. I believed in the mission of Habitat for Humanity of Summit County and I loved the idea that I could make a difference in my community. Just a little over a year later, I have accepted the role of Family Services Manager/QLO & Volunteer Coordinator. I am so excited to work with our partner families and future applicants towards their dream of homeownership!"

"Habitat has helped me grow so much over the last year and I hope to empower those individuals working through our program to grow and achieve everything they hope for!" Join us in welcoming Briana Cantrell to her new role here at Habitat for Humanity of Summit County. She began this position this past April, as our former Family Services Manager/QLO, Kim Kerr is getting ready to retire. Briana is always open to volunteers and homeownership applications. If you have any questions feel free to reach her at 330-745-7734 ext 211 or brianac@hfhsummitcounty.org.

# Permanent, Consistent Funding through New Endowment Fund

Habitat for Humanity of Summit County has started an agency endowment fund at Akron Community Foundation as a way to ensure a permanent, predictable stream of funding for its' mission in seeking to build homes, community and hope. This investment is part of the affiliate's program expansion plan made possible with the monumental \$3.5M donation from MacKenzie Scott that was received last year.

Habitat for Humanity of Summit County's programs support the affiliate goals of creating stable families and stronger, more vibrant communities. The affiliate offers a number of programs designed to provide affordable housing support to revitalize the communities we serve.

Some of the new programs include a whole home rehabilitation program called Preserve a Home, a Pathways to Homeownership debt relief program in partnership with United Way's Financial Empowerment Center in Akron, and expanding our current Neighborhood Network program into Northern and Southern Summit County. This new fund welcomes gifts of all kinds, including cash, bequests, closely held stock, real estate, life insurance and retirement assets. Gifts can be made online at [www.akroncf.org/give/HabitatforHumanityofSummitCounty](http://www.akroncf.org/give/HabitatforHumanityofSummitCounty) or by calling 330-376-8522.
