Meet Loyal Volunteer Dave!

By: Briana Cantrell, Family Services Manager/QLO & Volunteer Coordinator

Meet Dave! Dave has been a loyal volunteer at Habitat for Humanity of Summit County for 33 years and has completed over 4,600 volunteer hours. Dave started volunteering for Habitat in 1990 when Bath Church rehabbed a house on Storer Ave. He volunteered because he wanted to learn how to build and rehab houses and to help others. After that, he participated in various church coalition builds until he retired. As retirement approached, Dave created a list of possible activities of things to do, and Habitat was high on the list

It so happened that his church's coalition started a build shortly after his retirement and since then he has been a regular volunteer. Dave's favorite part of volunteering with Habitat is the comradery amongst the other loyal volunteers and site supervisors. He also enjoys assisting on the construction sites with the various aspects of the house build, such as setting trusses, floor joists, and building walls. Over the past 33 years, Dave cannot point out one specific memory that he would consider to be his best memory while volunteering, but stated, "It is always an enjoyable time. This is what keeps me coming back."

When asked what he would say to someone who was interested in volunteering with Habitat, Dave stated, "It is a way to learn the building trade at no expense and you can work with a neat bunch of individuals! In addition to what you get out of volunteering, you are giving others a decent and affordable home." Thank you Dave for all your hard work and dedication to Habitat over the last 33 years!
