Volunteers Needed

be a leader in your community

We are looking for passionate neighbors who are eager to make a positive impact in their community! We need local neighbors to support this event by completing walk audits and participating in your event on July 19th.

Walk Audit Volunteer

Attend this quick info and training session with your fellow neighbors to learn all about walk audits; what they are and how your participation can turn into real improvements on your neighborhood!

Things you will learn & achieve:

- advocate for community improvements
- collect the data needed to make a change
- submit data to local leaders, asking for action
- see positive improvements like potholes fixed, etc.
