We believe that, everyone deserves a decent place to live. Habitat for Humanity partners with people in our community, and all over the world, to help build or improve a place to call home. Habitat offers individuals in the community the ability to achieve the strength, stability and independence they need to build a better life for themselves and for their families. **We respect** and appreciate the diversity of our employees, our partner families and homeowners and the communities we serve. **We are driven** to serve as a voice for people in need of decent housing by working to change laws and shape policies that affect access to housing. **We challenge** ourselves and our volunteers to build homes, communities, and hope. **We champion** our employee strengths, guide their development, and invest in their long-term success. **We hire** optimistic, results-oriented, curious, innovative, and adaptable people with the desire to help our families and one another succeed.

Habitat for Humanity of Summit County was organized as an affiliate of Habitat for Humanity International in 1986. We have been building homes for families in Summit County for over 39 years. To date we have built over 235 homes and housed more than 400 adults and 600 children.

Culture Statement: At Habitat for Humanity of Summit County, our hardworking team members always display the highest level of respect, integrity and dedication. Our competent, reliable and friendly staff ensure the success of our affiliate.

Estimator and Home Repair Technician

Position Purpose: The Estimator and Home Repair Technician provide the coordination necessary to carry out the objectives in the both the ARPA awards for Habitat Ohio and City of Akron and the approved project from the FHLB (Federal Home Loan Bank). The Estimator and Technician will work closely with all the Site Leads for the Home Repair program as needed and the President & CEO. Before any work can be authorized or items purchased approval will need to be obtained with the signature of the President & CEO on all bid estimates before work can proceed as well as ensure the sub contractor has a fully vetted approved packet on file. The position will work to obtain any County of Summit Building Standards (or other municipalities as needed) for permitting required for framing (sub contractors must pull their own permits). The Estimator and Technician will be the main point of contact for scheduling all sub contractors for work at home repair projects. This position will also be hands on with some minor repairs such as installing grab bars, handrails, and solar powered security lights and other minor items not completed by the sub contractors.

**ARPA and FHLB funds are contractual funds and as the contracts expire this role could change
