

2025 Annual Report

building homes, community & hope

8 new homes constructed
112 homes repaired
2 homes rehabbed

156 families served
1,079 volunteers engaged
17,200 volunteer hours donated

7 public spaces revitalized
44 collaborative neighborhood projects

19,000 ReStore donations
\$990,434 ReStore sales

**"The momentum of 2025 is shaping
a stronger Summit County."**

With the final build projects underway, we are bringing our largest-ever single site development – 16 affordable homes alongside a new City of Akron park – to completion. Through this historic effort and our essential home repair programs, we are creating more than houses; we are creating stability. Together, we are building hope and ensuring every family has the dignity of a decent place to live."

Rochelle Sibbio, President & CEO of Habitat for Humanity of Summit County

of Summit County

* Calendar year program outcomes January 1, 2025 to December 31, 2025.

“2025 reminded me once again how powerful our community can be when we come together with purpose.

Habitat for Humanity of Summit County made meaningful, tangible impacts for families across our region, and none of it would be possible without our passionate volunteers, generous supporters, and tireless staff. I am deeply grateful for all who stand with us in this mission and look forward to the lives we will continue to change in the year ahead.

David Oeschger, Habitat for Humanity of Summit County Board President, The Becker Law Firm
