

# Aging In Place Home Modifications

Creating safe & accessible homes for those aged 62+

## Are you a senior homeowner interested in “aging in place”?

Our Aging In Place program can help. We provide home modifications for seniors aged 62 and over - making your home safer and more accessible. Don't let your home hold you back. Let us help you “age in place” with confidence!

Qualified homeowners will work with Habitat staff, and Occupational Therapist and our referring healthcare partners to determine what home modifications we can complete. This program is funded by the U.S. Department of Housing and Urban Development. Please note: this program is only available to homeowners who have not previously been served by Habitat for Humanity of Summit County's Aging In Place or Home Repair programs.

# Apply Today!

## HUD-funded Aging In Place Program Eligibility Requirements

- INCOME less than 80% AMI (see chart below, proof of income required)
- SENIOR (62 years or older) HOMEOWNER and PRIMARY RESIDENCE (proof of current mortgage and homeowner's insurance required)
- Current on SUMMIT COUNTY PROPERTY TAXES
- WILLINGNESS TO PARTNER (complete required "sweat equity hours", see application for more details)

## Income Guidelines (HUD) - 2025

Based on the Summit County Area Median Family Income (AMI) of \$100,300:

People in Household	1 Person	2 Person	3 Person	4 Person	5 Person	6 Person
80% income limits (maximum per year)	\$56,200	\$64,200	\$72,250	\$80,250	\$86,700	\$93,100

## HUD-funded Aging In Place Program Process

1. Submit a completed application with all required supporting documentation (the list of required documents can be found on the application)
2. If your application is approved, you will receive a notification letter outlining in greater detail next steps. In general though, you should expect the following:
  - 1-2 hour in-home pre-assessment with Habitat's contracted Occupational Therapist
  - In-home home repair assessment completed by a Habitat Construction staff
  - Scope of Work review with Habitat Construction staff before any modifications begin
  - Habitat Construction staff complete home modifications and review with you any receipts and warranties associated with your modifications
  - Sign final paperwork
  - 1-2 hour in-home post-assessment with Habitat's contracted Occupational Therapist to assess our program's effectiveness
